Statements herein that are not descriptions of historical facts are forward-looking and subject to risks and uncertainties. Actual results could differ materially from those currently anticipated due to a number of factors including risks relating to the ability to continue to extend current government contracts; the Company’s ability to obtain new government or commercial contracts; continued demand for the use of animal models in scientific research; the Company’s ability to perform under its contracts in accordance with the requirements of the contracts; the actual costs incurred in performing the Company’s contracts and its ability to manage its costs, including its capital expenditures; dependence on third parties; future capital needs; the ability to fund its capital needs through the use of its cash on hand and line of credit; and the future availability and cost of financing/capital sources to the Company.
